Landlord: J & J Property Investments, LLC
Tenant: **TENANTS NAME**
Leased Premises: **PROPERTY ADDRESS**

This LEASE ADDENDUM is incorporated into and made part of the Lease executed by the Landlord and the Tenant referring to and incorporating the Lease Premises.

The Landlord has zero tolerance for criminal activity in or around the Leased Premises.

This policy applies to the Tenant, residents, guests, and/or family members. The Landlord will immediately report any evidence of criminal activity to the proper authorities, and the Tenant's engagement in any criminal activity is a default of the Lease.

The Tenant understands his/her responsibility to call 911 and report any suspicious activity observed, and then notify the Landlord.

Weight/Size: _____

Age: _____

Other: _____

All dogs and cats must wear vaccination tags attached to a collar that is worn at all times. The Tenant will maintain a valid rabies vaccination certificate issued by a licensed veterinarian. It must include the animal's name, description, age, date and type of vaccination. The Tenant must renew all pet registrations annually, and provide a copy of the registration to the Landlord.

Cats and dogs must be neutered/spayed. Any reptile, fish or pet that is considered a poisonous species is prohibited. The Tenant cannot maintain exotic animals or livestock in the rental home, grounds or community property. The breeding of privately owned animals is prohibited.

This LEASE ADDENDUM is incorporated into and made part of the lease executed by the Landlord and the Tenant referring to and incorporating the Lease Premises.

The installation and wiring of Cable, Satellite and/or Antenna may only be performed by a trained and/or licensed professional. All of the specs, sizes and information regarding the equipment, installation and wiring including location must be provided to the Landlord prior to installation. The installation may not block the access or intrude on any common areas. This includes but is not limited to the roof, exterior wall, parking area, window, or fence.

A professional installation company must be used for installation and proof of liability insurance is required before equipment is installed. The Tenant is responsible for any damages that may occur from the installation or wiring of Cable, Satellite and/or Antenna. The installation, maintenance and safety of both activities are the responsibility of the Tenant.

The Landlord reserves the right to request the temporary removal of the Cable, Satellite or Antenna if necessary for building repairs or maintenance and will assume no liability for any damages that may occur to the equipment.

At the end of the Lease, all evidence of the installation of the Cable, Satellite or Antenna must be removed and/or repaired. Any damages that remain will be subject to charges against but not limited to the security deposit.

If the Tenant violates any part of this Addendum, the Tenant is then in default of the Lease. In the event of a default, the Landlord may initiate legal proceedings in accordance with local and state regulations to evict or have the Tenant removed from the Leased Premises as well as seek judgment against the Tenant for any monies owed to the Landlord as a result of the Tenant's default.
